INSTRUCTIONS FOR FIREARMS PERMIT RENEWAL APPLICATION

Application Checklist

1. All sections of Application Form must be completed and applicant and instructor(s) signatures provided. The applicant must fill out the first two (2) pages of the renewal application. **Only the Firearms Instructor who completed the specified training is authorized to complete the Certification of Firearms Range Qualification/Review Course Training.**
2. **Renew timely** – By law, a renewal application with payment must be submitted at least 60 days prior to expiration of the current permit term, and a firearms permit cannot be renewed after expiration. Failing to submit your application at least 60 days before expiration may result in your firearms permit not being renewed before expiration of the current permit term. **NOTE:** Applications received more than 90 days before expiration will be returned. If a complete renewal application is not received by the expiration of your current permit, you will need to apply for a new initial firearms permit. (BPC 7542, 7583.32 & 7596.7)
3. To be eligible for renewal, you must have completed four (4) range qualifications, completed four (4) use of force/de-escalation of force training courses, and passed the written Firearms Examination (see General Information for specific requirements).
4. Include a complete and signed Department of Justice (DOJ) **Firearms Qualification Applicant Form (BCIA 4040)** with your renewal application. Pursuant to BPC Section 7583.25, DOJ must verify a renewal applicant's continued eligibility to possess a firearm.
5. **Fee Amount Due**
 - Before expiration: \$118.00 (\$80 renewal & \$38 DOJ)
 - After expiration: Cannot renew/new initial application required
6. **Fee Payment:** An application received without payment of the full fee amount owed (see Item 5) will not be processed and will be returned to the applicant. Make check payable to Bureau of Security and Investigative Services or BSIS. Do not submit cash by mail. Application fees are non-refundable.
7. **Mail** your renewal application and check to: Bureau of Security and Investigative Services, P.O. Box 989002, West Sacramento, CA 95798-9002

General Information

1. **A renewal reminder will be mailed to your address of record (AOR) approximately 90 days prior to your firearms permit's expiration.** Please note that the reminder is not a firearms permit renewal application.
2. **Allow 60 days to process your application. DO NOT** contact the Bureau to check on the status of your application unless it is over 60 days from date of submission. You will be notified in writing if your application is deficient.
3. **Use the *Firearms Permit Renewal Application*.** Do not use a *Firearms Permit Initial Application* to renew your permit. An incorrect form is deficient and the completion of a new application on the correct form will be required.
4. **Use a current form.** An outdated form may require completion of a new application on a current form. Current forms are on the Bureau's website at <http://www.bsis.ca.gov> in Forms and Publications under the Licensees tab.
5. **Range Qualifications** - As each range qualification is separate, you may complete each one with a single Bureau-certified firearms instructor and firearms training facility or with multiple instructors and facilities.
6. **Range Qualification Requirement** - To renew a firearms permit, the applicant must have completed four range qualifications as follows: two (2) range qualifications during each 12-month period of the current permit's two-year term with no two (2) range qualifications completed closer than four (4) months apart. Also, only one qualification in each twelve-month period may be completed by firearm simulator, and only a simulator that complies with the requirements listed below may be used for a qualification. **NOTE:** Failing to adhere to the required qualification schedule and/or firearm simulator use limitation will result in you being ineligible for renewal and the need to apply for a new initial firearms permit. **See Suggested Range Qualification Schedule.**

Firearm Simulator Requirement: *The firearm simulator MUST meet all the following requirements: (1) Provide a realistic imitation of the operation of an actual firearm including the weight, recoil, action, flash, and sound of a firearm at discharge, (2) Have the ability to match the caliber of the actual firearm the individual is qualifying to carry, and (3) Simulate the loading and reloading of an actual firearm.* (Title 16, Division 7, Section 631 of CA Code of Regulations)

7. **Two-Hour Training Course Requirement:** Prior to each of the four (4) Range Qualifications, applicant must have completed the training course on use of force and de-escalation of the use of force. (Title 16, Division 7, Section 633 of the California Code of Regulations)
8. **Written Firearms Examination Requirement:** A condition for renewal is the applicant passing the written Firearms Examination in the BSIS Firearms Training Manual with a score of 86% or greater. The law does not specify during which qualification the applicant must complete the written exam. The Bureau recommends the applicant take it in the second 12-month period of the current permit term.
9. **Firearms Permit/Qualifying License Association Information:** A BSIS firearms permit authorizes the permit holder to carry an exposed firearm while performing the duties of only those license types listed on the firearms permit itself. For example, a permit holder who only has a security guard registration listed on his/her firearms permit and who also holds a private investigator (PI) license cannot work armed while carrying out the duties of a PI licensee. The firearms permit card must list the private investigator license for the permitholder to work as an armed PI licensee.
10. **Firearms Assessment:** If you fail to meet the requirements for renewal and wish to hold a firearms permit, you must apply for a new firearms permit which is subject to the Firearms Assessment. For more information regarding the firearms assessment, visit this link on our website:
www.bsis.ca.gov/firearmsassessment

Applicant Information

1. **The applicant must fill out the first two (2) pages of the renewal application. Applicants are not permitted to complete ANY portion of the Certification of Firearms Range Qualification/Review Course Training.**
2. **Email Address:** While optional, providing an email address may expedite the Bureau's communication with you if additional information is required to process this form.
3. **Address Information –** By law, an applicant is required to provide their residence address. The residence address can be designated as the Address of Record or the Confidential Address.
Address of Record (AOR): This is the address that will appear on your permit and where the Bureau will mail your permit and any future correspondence relating to your permit. The AOR is also the address that will be disclosed in response to public records requests and/or public sales requests. If providing a Post Office Box or an address other than your residence address as your AOR, you must provide your residence address as a Confidential Address.
Confidential/Residence Address: If AOR is not your residence address, you must provide your residence address.
4. **Type(s) of Licenses Currently Held –** Complete requested information for each license type you hold or are applying for that you wish to have associated with your firearms permit. The application will not be processed unless you are applying for and have been approved or currently hold a valid license as a private investigator (PI), private patrol operator (PPO), or alarm company operator; you are a qualified manager associated with a valid PPO or PI licensee; you possess a valid certificate as an alarm company operator qualified manager; or possess a valid registration as a security guard or alarm agent. **NOTE:** You can only carry a firearm while performing the duties of the license associated with the firearms permit. Also, officers of a PPO or PI licensee organized as a corporation, or members, managers, or officers of a PI licensee organized as limited liability company (LLC) are not a licensee; they are agents of the licensed corporation or LLC. Officers, managers or managing members who wish to hold a firearms permit must themselves hold a qualifying license.
5. **Active Duty Peace Officer –** If you are an active duty peace officer as defined in Chapter 4.5, (commencing with section 830) of Title 3 of Part 2 of the Penal Code or a federal qualified law enforcement officer as defined in section 926B of Title 18 of the United States Code, you may be **exempt** from the BSIS firearms requalification training requirements with proof of your peace officer status and proof of having completed firearms requalification trainings (BPC 7583.32). Verification of your active duty status can be satisfied by providing a legible copy of the front and back of your peace officer identification card. Acceptable proof of having completed firearms requalification trainings include copies of your firearms requalification training completion documents signed by your agency's Range Master, a copy of your POST profile detailing your requalification trainings, or a letter signed by your commanding officer or agency's Range Master, on your agency's letterhead, attesting to your successful completion of firearms requalification trainings. **NOTE:** This exemption does not apply to permitholders with firearms permit only

associated to a license issued under the Alarm Company Act. See BSIS website for additional information www.bsis.ca.gov).

Instructor Information

1. **Only the Bureau-certified Firearms Training Instructor who provided the training to the applicant is permitted to complete the Certification of Firearms Range Qualification/Review Course Training page for the specified qualification.**
2. **Caliber Boxes** – Draw a line through unused caliber boxes in the Applicant Training Information Table to prevent the addition of information after you have signed and released the form.
3. **Do not make revisions to the form.** If you need to change information, start a new form. The Bureau has no way of knowing if the change was made by the instructor or someone else.
4. **Citizenship or Permanent Resident Verification** – Provide specific information regarding the document presented by the applicant. For example, if a passport is provided, indicate the country of issuance (e.g., U.S. Passport, Canadian Passport, etc.). Also, “Citizenship Certificate” is not an actual document issued by the U.S. government. Indicate the specific title for the document (e.g., U.S. Citizen Identification Card, Certificate of United States Citizenship, Certificate of Naturalization). Indicating a general document title is a deficiency and will delay the processing of the application. See Attachment I of Firearms Training Manual for acceptable documents to verify citizenship/residency and the corresponding title of each document.
5. **Written Firearms Exam Scoring Instructions** – The BSIS Firearms Training Written Examination is worth 52 points. There are 50 written questions worth one point each plus two handgun diagrams with each diagram worth one point each. The applicant must correctly label each part of a handgun diagram to receive the one-point credit for that diagram. If one item is incorrectly labeled, the applicant does not get a point for the diagram. To pass the exam, the applicant must obtain a score of 86% or higher. An 86% score equals 45 correct responses. To determine an applicant’s percentage score, divide the total number of correct responses by 52. NOTE: The law does not specify during which qualification the applicant must complete the written exam. The Bureau recommends the applicant take it in the second 12-month period of the current permit term.
6. **Due to changes in the law and Bureau operations, this application is periodically updated. Please routinely check the Bureau’s website so that you are using the most current version.**

Important Information Relating to Your Firearms Permit

1. **Address Change:** You must notify the Bureau of any change in your address of record or residence address within 30 days from the date of change. Failure to provide timely notice may result in the issuance of a fine. An address change may be completed online via BreEZe if you have a BreEZe account, or via an Address Change (Personal) form. The form may be emailed to bsis@dca.ca.gov or mailed to Bureau of Security and Investigative Services, P.O. Box 989002, West Sacramento, CA 95798-9002. **See Applicant Information for address requirements.**
2. **Proof of Permit Renewal:** Holders of a renewed firearms permit associated with a Security Guard registration may work with a print out of the approved permit from the Department of Consumer Affairs’ License Search website at www.search.dca.ca.gov along with a valid picture ID while waiting to receive the hardcopy of the renewed permit in the mail.

Suggested Range Qualification Schedules

As a courtesy, the table below provides suggested range qualification schedules for renewal of a firearms permit. Adherence is not a mandatory provision for renewal, but a suggestion by the Bureau of typical schedules that satisfy the requirements for renewal and allow for timely renewal of the permit. To use the table, first check the expiration date on your firearms permit, find your permit's expiration month on the table, and follow the schedule detailed in the row. Each schedule provides sufficient time to submit your firearms permit renewal application at least 60 days before expiration, as required by law.
